Snorkelling

16 Apr 2017

My wife and I loved our snorkelling trip. We visited two islands, the first of which 'Finger nail island' was not great as there was some litter in the sea. 'Turtle island' was much nicer although I'm not sure turtles have ever been there. The trip on the boat was very good and the boat is great for relaxing. Lunch on board was nice.

2 dives in the south of the island

22 Dec 2016

We enjoyed a day in the south starting from the busy harbor. The whole trip was very nice, the diving equipment was in very good condition and the diving group was very small. The view was unfortunately not optimal. All in all, it was very well organized, there was a large board on the dive boat and the prices are fair. We would love to go diving with you again.
