One of the majestic waterfall I have known!!

11 Apr 2019

One of the majestic waterfall I have known!!! I am a Singaporean and I visited Vietnam twice, this is the third time in Vietnam and I decided to book this tour to explore the Yang Bay waterfall. Never expect this waterfall was beautiful like that, everything was perfect unless the bus was broken on the way, we took 30 minutes to wait for fixing the bus, but it didn't affected much on our attitude!

Beautiful waterfalls

We talked and laughed so much in this tour!!! Really impressed with the sense of humor of tour guide, he was so funny. Yang Bay waterfall was so beautiful, the water fall down so strong, I was scared a little at first but it was ok then, we have a funny time in the pond at the foot of the waterfall. Do hope to back there one day!!!

Highly recommend for all in the summer!

Don't want to come back to the city. Immersing in the nature is so wonderful and I really didn't want to return Nha Trang at the afternoon. The waterfall is located in the forest so the atmosphere was so airy and cool, the water was clear and fresh. Highly recommend for all in the summer!

A memorable trip!

A memorable trip! This trip will remain in my mind forever, surely. You know, I felt upset a bit because the weather didn't support us in Nha Trang, but when moving to Yang Bay, it became clear and blue. So, I

had a beautiful sunny day in the beautiful waterfall. God blessed us.
