It was a long journey

16 Apr 2019

It was a long journey. The road from Nha Trang to Buon Me Thuot city was a bit far and winding, but the landscape along the way was truly beautiful. I had fallen in love with the weather here, sunny but cool and windy. I bought some coffee as gifts, the best coffee in the world.

Very nice place

No regret when coming to this trip

No regret when coming to this trip. We were picked up at Nha Trang and transferred to Buon Me Thuot in a A/C transfer, very quiet and pleasant. Don village was so intact with many traditional houses, my guide introduced us about "nha rong" - a type of communal house of M'ong people, and I was so impressed with its architecture, especially the roof, so spectacular!!! Visiting the elephants and feeding them were also fun and meaningful for me. Highly voted for this trip!

What a great tour!

16 Mar 2019

I went here in the dry season so the visit was very comfortable, the waterfall was not too intense and very poetic, so I thought going to the dry season was the most reasonable, well, the view was also top, suitable for good kids playing around without being afraid of dangerous. Overall I still want to come back again.

We did all, so happy!!!

What a special trip in Vietnam. This trip was so different with others for us, we had two days in Nha Trang and Buon Ma Thuot, both were so wonderful. But the journey to Buon Ma Thuot left many good memories on us. Highlights of the journey were exploring the legend of traditional wild elephant catching and taming of the M'ong ethnic group, and

enjoying a lot of impressive waterfalls in the Central Highlands. We did all, so happy!!!
