Definitely back to Phong Nha

The first time came to Quang Binh and visited Phong Nha cave, although I only sat by boat for 1.2 km in the cave, I also felt the fresh and cool atmosphere and the spectacular beauty of Phong Nha. It was better to go kayak on the river. Nice trip!!!

Absolutely fantastic. Didn?t want to leave! Although the weather didn't support us due to the sudden rain, the landscape was extremely beautiful. I was so impressed by the blocks of limestone mountains and wild forest and the clean river. People even washed their clothes in the river. Very peaceful!!!
