Fabulous tour. Exciting and authentic. Traffic not so scary when you are in it. . Our guide Miah was excellent-knowledgable and a great communicator. Our drivers were very competent. All in all a marvellous

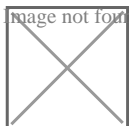

experience.

WOW! So much fun!

My husband and I had no idea what to expect - but we definitely got a GREAT experience. Our guides were so professional, kind, street-smart and informative. It was a wild mash-up of crazy street navigation, riding over a historic bridge, visiting cafes, great restaurants and really unique local sights. Exciting, informative and like I said before - SO MUCH FUN. I'd do this 100x over again.

Amazing!

The country side tour was amazing! It is so beautiful outside of the city and really amazing to see where all the foods, and things you are buying in the cities are coming from. You also get to talk with the locals and go into their homes which is a beautiful experience.
