Explore narrow canals in Mekong delta

Visit An Binh Church and orchards garden

Trip Overview

A great way to explore Mekong Delta! “Cai Be Princess” is one of few private Sampans on Mekong Delta. It is a great choice for travelers who prefer Sampans with traditional design style and ultimate privacy. Let’s join us in this journey to explore lively floating markets with the riches of colorful fresh fruits and vegetables from Mekong’s gardens. This is also a great opportunity to take a glimpse into the agricultural, rural life of people at the delta region by visiting local workshops that produce various handmade souvenirs from rice and coconuts.

Itineraries

Ho Chi Minh City - Cai Be - Vinh Long

Be picked up at your hotel at **8h00am** and transfer to Cai Be by road. Meet us at the Cai Be jetty at **10:00 am**. Your crew welcomes you on board with cold towels and a refreshing drink while your Cai Be Princess sampan sets off for its leisurely cruise on the busy waterways.

Observe from the comfort of your sampan life as it plays out on the riverbanks - the people, the stunning landscapes - while your attentive crew serves you tea and seasonal fruit. Visit an ancient house built in the 19th century. We'll make stops along the way to provide glimpses of local cottage industries: coconut candy and puffed rice (the local equivalent of popcorn), products that provide a living for the river people.
Your cruise ends at Le Longanier Restaurant. Lunch is served in this exquisite colonial-style villa set in a lush tropical garden by the river, surrounded by fruit trees, giving you a sense of life during Indochinese times.
After lunch, re-board the Cai Be Princess and continue your cruise towards Vinh Long, via the Dong Phu Canal, before arriving at Binh Hoa Phuoc and An Binh, small islands renowned for their fruit orchards. Stop on the way to visit historic An

Binh Church. After crossing the Co Chien River, your sampan docks at Vinh Long Pier at around 4:30 pm, where optional transfer waits for the drive towards Can Tho.
